

Tytuł: Anything

I would do, I would do anything  
For you, anything, anything.  
I would do anything for you.

If it is faith you are needing,  
If it's the air I'm breathing,  
I would give it all to you.

If it's a dream you're after,  
I'll help you get there faster,  
If that is what you want to do.

I would do, I would do anything,  
For you, anything, anything.  
I would do, I would do anything,  
For you, anything, anything.

If it's alone you're feeling,  
If life has lost it's meaning,  
I promise you I'm listening.

And if it's the truth you're seeking,  
If you need a secret keeping,  
You know you can trust in me.

I would do, I would do anything,  
For you, anything, oh anything.  
I would do, I would do anything,  
For you, anything, oh anything.

I'd even let you walk away,  
If you didn't want to stay,  
I could not love you more than this.

I would do, I would do anything,  
For you, anything, anything, anything.  
I would do, I would do anything,  
For you anything, anything.

Nothing I would not give.  
Nothing I would not do.  
Nothing I would not say.  
Nothing I would not give.
